Wednesday 20th
June 2016
9:30am- 4:30pm

Venue

Stamford Court
University of Leicester
Manor Road
Oadby
LE2 2LH

Cost

TSA member school
£75 per delegate
Non TSA member
£100 per delegate

Designed by six regional Teaching School Alliances and will help teachers and school leaders develop insights and strategies for improving the quality of learning through effective research practices.

- Getting Started in practitioner research
- Leading a whole school approach to practitioner research
- Building and Leading research communities.

Dr David Frost

A member of the Educational Leadership and School Improvement team at University of Cambridge.

David's research focuses on 'leadership for learning' with a particular emphasis on teacher leadership.

Claire Maclean

Executive Principal at Tudor Grange Academies Trust

Claire will provide an insight into developing highly effective learning communities within a group of schools.

The conference is designed and will be delivered by current school and system leaders and builds on the success of two previous Lesson Study Conferences organised by our partnership.

The conference is suitable for primary and secondary teachers and leaders at any career stage.

Please contact Education CPD+ at:
educationcpd@le.ac.uk or 0116 252 3771 to request a booking form.
Delegate rate includes full access to the day including lunch and resources.
